OFFICE OF THE

INSPECTOR GENERAL OF POLICE IN MYSORE.

No. 1378/110 Dated Bangalore 25 September 1898

Esq.

FROM

THE INSPECTOR GENERAL OF POLICE IN MYSORE.

To

THE SECRETARY TO THE GOVT. OF MYSORE,
GENERAL AND REVENUE DEPARTMENTS.

SIR,

I have the honor to submit for the orders of Government the question of the levy of house-rent on Government buildings occupied by the Police Officers in the Gold Fields and to state as follows :—

2. There are 3 Government buildings occupied by the Inspectors and Chief Constables as follows :—

(1) Police Inspector's quarters at the Champion

Champion Reefs. This was completed in August 1889 and handed over to the Police Department. This building was first occupied free of rent by Inspector Salar Khan and then by Mr. Ballard from October 1890 while he was Inspector of the Gold Fields.

(2) Sub Inspector's Quarters at Balaghat. This building was completed in February 1892 and handed over to the Police Department. The Executive Engineer, Kolar Division, says that correct information as regards occupancy from the date of completion, recovery of rent &c is not available but that his department began to recover rent from January 1896. There is no information available in this office also.

Chief-

(3) Chief Constable's quarters at Doregaum.

This building was purchased from Mr. Frey in September 1893 and improvements made and handed over to the Police Department in 1896. The Executive Engineer says that rent was not to be collected for this building also from January 1896.

3. In Connection with building No: I Police Inspector's Quarters at the Champion Reefs, the Deputy Commissioner, Kolar, in his letter No. 125 dated 15th June 1892 ~ recommended that Inspector Ballard who was then occupying it might be exempted from payment of rent on the following ~ grounds. —

1) That, as living in the Gold Fields is costly, it would be hard to tax him with house-

house-rent also;

and (2) that no rent is charged from the men for the lines occupied by them.

4. A recommendation was then made to Government (vide this office letter no: 74/8; dated 9-9-1892) for exempting Mr. Ballard from payment of rent; particularly, as Mr. Ballard undertook to carry out the period repairs at his own cost. On this, the Government asked this office to cite the authority under which the mens of the Gold Fields were allowed free occupation of the Lines and to state what the approximate cost of repairs executed by Mr. Ballard had been. The Deputy Commissioner, Kolar, who was referred to for information on the above points, reported that the free occupation of the lines by

by the men had the sanction of long usage, but that the records did not shew the specific authority under which the same had been allowed not only in the Gold Fields, but elsewhere in the districts where there are Police Lines and that the cost of additions to be executed by Mr. Ballard was Rs. 85/-. On this information being furnished, the Government ordered in their docket no: 1149-5 / J.214-92 dated 14th January 1894, (Serial No. 5) that "it did not appear that a case for exemption from the payment of the small rents fixed by rules had been made out."

5. Again on the 27th April 1897 the Deputy Commissioner, Kolar, requested that the question of the collection of house-rent

-rent on the buildings in the Gold Fields might be submitted for the orders of Government for the following reasons :-

1. That the buildings are ill-constructed and uncomfortable necessitating improvements by the occupiers,

2. and that the Special Magistrate pays no rent for the palatial building specially constructed and occupied by him.

6. With regard to this matter, the Chief Engineer also forwarded Copies of Correspondence from the Executive Engineer, Kolar Division, bringing to notice that great inconvenience is felt in the adjustment of accounts in this office owing to the non-receipt of rents regularly and suggesting that the

the duty of collecting rent may be ~
delegated to the Civil Officers and arrange-
-ments made with the Comptroller for the
periodical transfer and adjustment of the
recoveries made by them and stated that
if this arrangement be agreed to, he would
obtain the sanction of Government therefor.

7. I may be permitted here to
state that no rent is levied in this Province
for the occupation of Police Lines by ~
Constables and Officers, the Special Magistrate
of the Gold Fields who is a highly paid Officer
is exempted from the payment of rent,
and the Assistant Superintendent of Police
in the Fields has been granted a house-
-rent of Rs 30/ vide Government Proceedings
4371-2 dated 28/9/96, and conditions of working
1.471

and

and living in the Fields are difficult and expens

I would, therefore, recommend that the Police

Officers in the Fields may be exempted from

the payment of house rent for occupying

Government buildings.

His endorsement No. 4950/221 dated 17th instant, forwarding for information and return, Chief Engineer's No: 5283 dated 11th idem, stating that rents for the Police buildings at Gold Fields should be recovered, pending orders being passed by Government, on the recommendation made by the Inspector General of Police, to exempt Police Officers from payment of rent.

In returning the above original reference herewith, has

the honor to state that the difficulties experienced in recovering rents from the Police Officers and the officials of the Special Magistrate at Kolar Fields, have already been brought to the notice of the Examiner in the previous correspondence, ending with this office no. 161/14 dated 12/1-1899, on the subject. According to the method sanctioned already, the Police Superintendent and the Special Magistrate at Kolar Fields are to recover the rents due, and give intimation to this Department. No such intimation is being received in this office and it is not known whether rents are being recovered regularly and what changes there have been in occupants from time to time. It is requested that instructions may kindly be issued as to what further steps should be taken in the matter.

Sir,

With reference to your letter No: 1408 of the 26th September 1899, stating that a recommendation has been made to Government for exempting Police Officers occupying Government Buildings in the Kolar Gold Fields from the payment of rent, I have the honor to forward copy of Kolar Executive Engineer's No: 2443/231 of the 25th Ultimo, and to request that you will be so good as to issue instructions for the recovery of

rents for these Police buildings, pending receipt of Government orders on the recommendation made by you. This is necessary to prevent rent falling heavily into arrears, in case there is delay in Government passing orders, also to obviate confusion in accounts. If Government should sanction the exemption with retrospective effect, the amounts recovered could easily be refunded.

I have &c.
